Publications

999 NE

- He wrote a note to his friends when he ran away.

Legislation

999 NE

- Various ammendments to the law of the Nation of Teir, expanding civil rights for peasants and imposing taxes and agressive new foreign aid policy.

Other Works

-inf NE - 1000 NE

Unwilling collaboration with Lews Therin Telamon (mental co-authorship).

Occupation

998 - 1001 NE

Mess Maker, World-wide

- Made a mess in **Shienar** and the lands formerly claimed by **Malkier** by confronting two resurrected Forsaken
- Made a large mess in **Cairhien**, indirectly caused a massive riot and a devastating civil war
- Made a mess in **Tear** by bringing Aiel into the citadel, fighting ancient evil, and provoking a massive Trolloc invasion
- Made a mess at **Al'cair Dal** by wrestling with the access key tied to the very powers of creation (permanent weather disruption, massive earthquake, and catastrophic social collapse)
- Made another mess in **Cairhien** by triggering a foreign invasion and near-genocidal conquest

- Made a mess in **Caemlyn** by destroying the royal palace and killing Rahvin
- Made another mess in **Cairhien** by getting the palace there blown up by assassins
- Made a mess in **Far Madding** by luring several treacherous male channelers into the city with murderous intent, getting arrested, and causing a diplomatic incident
- Made a mess in **Illian** by invading with his personal army and messily fighting Sammael
- Made a mess all over **Altara** by conducting a guerrilla magic campaign against the Seanchan military occupation and wrecking diplomatic talks
- Made a mess near **Tar Valon** by having an existential crisis that nearly destroyed the universe and also caused a bad storm

1001 NE **Mess Cleaner**, Andor, the Blight

- Cleaned up some of the mess by forcing a peace alliance at the **Field of Merrilor**
- Cleaned up even more of the mess by offering his life to save the world at **Shayol Ghul**
